

### **Morgan Gelding:** Cody

Cody is a registered 26 year old gelding. We have owned Cody for many years.

He has had extensive training/lessons (5 years) as a dressage horse. He has been used as a 4H show horse in halter, jumping, English and western, and has been our trail horse. We have ridden him in many parades as well.

He loves grooming and baths. He trailers well also.

This is a difficult decision as both of our horses are so kind and loving. (We would love him to go with Annie)

We would love him to go to a loving home that will use him as a lesson horse or companion horse.

He is in good health.

We are asking \$800.00.

### **Morgan Mare:** Annie Oakley (below)

11 years old

Solid Black w/ small white star on forelock

15.2 Hands

Loving, outgoing and fearless, Annie has been with us since 6 months of age.

\$7000.00

She foaled in Kansas, at Kansas Bluestem Morgan farm. Pictures and information can be found on their website: <http://www.kansasbluestemmorgans.com/>

Annie comes from a sound line of working Morgan horses.

Annie loves her work as a strong buggy horse. She has been used and trained as a trail horse as well.

We have come to an extremely hard decision that we are not using Annie as often as we would like, so we are seeking a loving and permanent home for her.
