Driving Derby Open to all. Navigators 14 years or older required on 4-wheeled vehicles.

A Driving Derby competition consists of one or more rounds over a course consisting of pairs of cones and marathon-type obstacles as described below. 2.1 A round is run as a timed competition with penalties converted to seconds. Total time determines placings and the lowest time wins.

2.2 The times plus penalty scores for multiple rounds are added to produce final scores and placings. 6.1 Carriage: Marathon-type carriage with iron or solid-rubber tires is encouraged. There are no required weights or track widths. 6.2 Harness: Bridle must have noseband. No type of check or auxiliary reins is allowed. Breeching is required for all single turnouts and for any vehicle without brakes. All Athletes and groom(s) must wear securely fastened protective headgear which meets ASTM/SEI standards for equestrian use. Safety (Protective) vests are strongly recommended.
